

SERVICES PROVIDED THROUGH THE BIDA OSS PORTAL

1. BIDA is working to create a business-friendly environment in Bangladesh. BIDA has developed an One Stop Service portal under the OSS Act, 2018 and the OSS (Bangladesh Investment Development Authority) Rules, 2020. This portal aims to provide all services related to businesses from a single window.
2. BIDA has identified 154 business-related services of more than 40 agencies and working to provide all those services from the OSS portal.
3. Currently, 47 services of 15 different agencies are being provided through the BIDA OSS portal. Now **service recipients (SR)** can get these services from their computer/home/office. **Can log in to the BIDA OSS portal for all the 47 services of 15 agencies.** General data will be uploaded automatically from the NID server. After log in to the BIDA portal, SR can apply for 47 services at a time. So, SR can avoid the personal visit, save time (by skipping visit to 15 different offices in different locations) and save money to get the following services from the BIDA OSS portal:
